## CONCLUSION

12. What will you do with Jesus?

We have seen that the Bible teaches that Jesus is God in the flesh; that after an exemplary and sinless life on earth, during which He proved his Divinity by His teaching, His miracles, and His fulfilment of prophesy; that He died a sacrificial death on the cross to pay for the sins of all mankind; that God the Father demonstrated His satisfaction by raising Him from the dead and receiving Him back into heaven; that He currently intercedes on behalf of His people, until He unexpectedly returns to receive His faithful followers and enter into eternity.
